ROYAL STARS

- ARIES (MAR 21 - APR 20):** Relax and take it easy. This year starts off in a casual, easygoing way. Wait a few days before putting plans in action. Be clear when communicating to avoid misunderstandings. Tonight: Learn.
- TAURUS (APR 21 - MAY 21):** Don't rush into anything. Kick back and relax. Be careful about embracing some kind of ideology as if it were gospel, because things are confusing and it's easy to push things out of perspective. This is a couch potato day to read or watch TV. Tonight: Tidy up.
- GEMINI (MAY 22 - JUNE 21):** The Moon will attract favours to you. (A nice way to begin your new year.) Take it easy, because it's a dreamy day. This means it's a poor day for important financial decisions, especially about inheritances, wills or shared property. Relax. Tonight: You're strong.
- CANCER (JUNE 22 - JULY 23):** You might have some resolutions but today is not the day to act. This year starts off slow, which means it's the perfect time to relax if you can. Conversations with partners, spouses and close friends might be confusing. Be aware of this. Tonight: Solitude.
- LEO (JULY 24 - AUG 23):** Take it easy today if this is possible. Don't feel that you have to get busy because it's the first day of the year. This is a great day to daydream, watch a movie or snuggle up with your main squeeze. This year starts off gently, in slow motion. Tonight: Friendships.
- VIRGO (AUG 24 - SEP 23):** Although you might want to make New Year's resolutions, don't guilt yourself into productivity. This year begins gently, and as much as possible, you want to take it easy today and enjoy yourself. Caution about pie-in-the-sky romance. Tonight: Show respect.
- LIBRA (SEP 24 - OCT 23):** No need to begin this day with determined fervour. This is the day to take it easy, because there's a dreamy quality in the air. Family conversations might be misinterpreted. Tonight: Travel dreams.
- SCORPIO (OCT 24 - NOV 23):** You might feel full of firm resolve but take it easy today. This is the day to relax, because the entire world is having a dreamy moment. Communications are hazy. Double-check everything. Tonight: Check banking details.
- SAGITTARIUS (NOV 24 - DEC 22):** Be careful with financial decisions because confusing vibes are in the air. You might tend to over idealise. Postpone ideas about cash flow and spending for a few days. Kick back and relax today. Tonight: Genuinely listen.
- CAPRICORN (DEC 23 - JAN 20):** Today Mercury moves into your sign to join the Sun, Venus and Mars. It's all about you. Nevertheless, take it easy, because this year begins on a relaxing note. You can start your engines later in the week. Tonight: Home crafts.
- AQUARIUS (JAN 21 - FEB 19):** This is the perfect day to sleep in, have a second cup of coffee and relax. You don't have to jump into action just because it's the first day of the year. Nevertheless, you will feel sociable and up for some fun diversions. Tonight: Socialise.
- PISCES (FEB 20 - MAR 20):** This is a relaxing day. Enjoy schmoozing with friends and groups. Or you might choose to relax at home. Today Mercury is at odds with your ruler Neptune, casting a dreamy element of confusion and gentle vibes over the world. Tonight: Relax.
