

Administrative lapse in Belagavi as PDO fails to relinquish charge

SUNIL PATIL @ Belagavi

A shocking action from Kedanur GP Development Officer from Belagavi taluk has once again exposed how orders issued by top officials of the Zilla Panchayat have seemingly lost their authority at the grass-roots level.

The blatant disregard for a written transfer and charge-handover order issued by the Zilla Panchayat Chief Executive Officer has raised serious questions about administrative discipline, accountability, and respect for hierarchy within the Panchayat Raj system. According to the official order issued by the Rahul Shinde, Chief Executive Officer, Zilla Panchayat, Belagavi, on November 5, 2025, several Pancha-

yat Development Officers and a Grade-1 Secretary were transferred in public and administrative interest, with the order clearly stating that it would come into force with immediate effect.

Under this order, Leela Metri, Panchayat Development Officer (PDO) of Kedanur Gram Panchayat, was transferred to Marihal Gram Panchayat, while Irshad Vadgaonkar, Grade-1 Secretary from Bastawad Gram Panchayat, was posted to Kedanur Gram Panchayat with additional charge as Panchayat Development Officer. However, despite the lapse of several weeks since the issuance of the transfer order, Leela Metri allegedly failed to hand over charge to Irshad Vadgaonkar, despite he ap-

proached the Panchayat office to take charge. Sources allege that she not only delayed the process but also behaved rudely when asked to comply with the orders, showing open reluctance to obey the directions of higher authorities.

This defiance continued even though the transfer order was issued by the highest administrative authority of the Zilla Panchayat.

When the matter was brought to the attention of Yashwant Kumar, Executive Officer of Belagavi Taluk Panchayat, he reportedly attempted to justify the delay by stating that oral instructions had been given to allow Leela Metri to continue until the winter legislative session held in Belagavi was concluded.

However, he failed to explain how oral directions could override a written and officially communicated order of the Zilla Panchayat Chief Executive Officer, or why such a prolonged delay was tolerated.

The incident has sparked widespread concern among local residents and public representatives, who fear that such open defiance reflects a deeper administrative malaise.

The episode clearly suggests that Zilla Panchayat orders are no longer treated as binding at the Panchayat level, allowing irregularities to continue unchecked. There are growing demands for a thorough inquiry and strict disciplinary action to restore the authority of higher officials and ensure transparency and accountability.

Dharwad district tops state in effective implementation of schemes: Revanna

EXPRESS NEWS SERVICE @ Dharwad

GUARANTEE schemes should reach even the most marginalised person in the society. The funds under the schemes are being directly delivered to 98 percent of the beneficiaries. Dharwad district is ranked first in the entire state in the implementation of the schemes, said Karnataka State Guarantee Scheme Implementation Authority chairman H.M. Revanna. After inaugurating a district-level guarantee workshop and guarantee festival on the implementation of the five guarantee schemes of the Congress government in the state, organised in collaboration with the district administration, the Zilla Panchayat and the District Implementation Authority of Guarantee Schemes, at the Sri Annajirao Shiroor Auditorium on KCD College premises on Monday, he said about one lakh crore people are directly benefiting from the guarantees.

As many as 638 crore women have travelled in buses free of cost under the Shakti scheme.

People take part in the Guarantee Scheme Festival held in Dharwad on Monday | EXPRESS

The Shakti scheme has received awards and certificates from organisations like the London Book of World Records, Golden Book of World Records and International Book of Records.

The Gruha Lakshmi, Gruha Jyoti and Yuva Nidhi schemes are also being implemented effectively, he said. Labour and District In-charge Minister Santosh Lad said that ₹ 60,000 crore is being spent annually on the five guarantee schemes and ₹ 3

lakh crore will be spent in five years. Money under Gruha Lakshmi scheme is being given to women to respect their work.

Dharwad girl slams Joshi for ‘neglecting’ constituency

MALLIKARJUN HIREMATH @ Dharwad

A video footage of a girl questioning Union Minister Pralhad Joshi is getting viral on social media. In the clip posted on X, the girl claims that the minister has not spent any amount from the money allocated to him under the Members of Parliament Local Area Development Scheme (MPLADS). In a video, she claims that she was checking the website of MPLADS fund and found that the funds allotted to Dharwad constituency was Rs 9.8 crore, and from that only Rs 1.11 crore was spent. She also says that out of 101 works allotted, only 11 have been completed.

The Central Government has undertaken railway projects worth Rs 12,900 crore for the development of the Kalyana Karnataka region

V Somanna, Union Minister

newindianexpress.com

Speaking in a sarcastic tone, she urges the Union minister to look around his constituency and develop the roads, saying that the people in the twin city are suffering because of the dusty roads and uncompleted works. The video has gone viral. A few groups of people are claiming that the girl's courage is commendable and that she has come out with facts. "She had shown the facts in the video and posted it on the government website. The leaders should not take the post negatively. It is just a demand by a voter and it is the responsibility of the leader to take it up," they said.

"We have seen people's posts about requirements in their constituencies. The post by this

girl has made a lot of changes among the general public. It is good to see the youths coming forward with such suggestions," they added.

A BJP leader said the girl has done good research and there is nothing wrong in asking for the details.

Responding to the video, Union minister Pralhad Joshi said what was shown in the video was incomplete. He said the funds meant for the past year were spent fully and this year, works with estimated cost of around Rs 2.5 crore have been taken up. Without using up the funds for the past year, the amount for this year will not be released. Soon, all details will be available on the public domain, he said.
