Free eye check-up camp organised at **Government Senior Secondary School** Bilaspur

NITIN SINGLA BILASPUR: A one-day free eye check-up camp was organ ised today at Government Senior Secondary School, Bilaspur under the aegis of the National Service Scheme (NSS) and with the support of Rotary Club North Zone, Jagadhri. Re-nowned ophthalmologist Dr. Ajay Singh Rana from Yamu-Ajay Singin Kana Irom Yamu-nangar conducted eye exami-nations for students, parents, and guardians, and distributed free medicines and spectacles. All NSS volunteers of the school actively participated in the camp, which benefited nearly 650 students and their parents through free eye check-ups Block Education Officer Naresh Pal was the chief guest on the occasion. The camp was inaugurated with a lamp-lighting ceremony by BEO Naresh Pal,

Naresh proposed the vote of Addressing the gathering, BEO Naresh Pal said that under NSS, students are engaging in diverse activities and acquiring new skills. He praised Rotary Club and similar social organi-sations for setting commendable examples by providing such

India making rapid strides in space science: **Union Minister Manohar Lal**

SHIV KUMAR SHARMA KARNAL, AUGUST 23

Union Minister for Power, Housing and Urban Affairs, Manohar Lal, said that India is progressing rapidly in the field of space science. He was addressing the gathering as chief guest on the occasion

of National Space Day at the Mangalsen Auditorium in Karnal on Friday. Haryana Education Minister Mahipal Dhanda was also present at the event.

The Union Minister recalled that it was on this day in 2023 that Chandravaan-3 achieved success, leading to the declaration of National Space Day. 'Space is a vast subject. Nearly 1,500 years ago, Aryabhata had declared that the Earth is round and revolves around the Sun. Our rich tradition of astronomy could calculate full moon, new moon, eclipses, and religious festivals much in advance. Today, Indian scientists are excelling in space research, combining new discoveries with ancient knowledge,

which is truly commendable," he said. Tracing India's journey, Manohar Lal said the country's satellite programme began in the 1960s. In 1963. satellites were transported on bicycles to

the launch pad, while labs were set up under makeshift sheds in pastures. Later, satellites were even carried on bullock carts, drawing mockery from other nations. "But our scientists persevered, and once the Sriharikota launch pad was established, more than a dozen countries began using it. Kalpana Chawla, who

hailed from Karnal, became the first Indian-origin woman to go to space through NASA, and a medical college has been named after her," he said, adding that India has since earned global trust in space missions. He also underlined India's historic contribution of zero in mathematics

The Minister congratulated ISRO scientists from Karnal Dipanshu Garg and Aishwarya Garg, for their contributions to Gaganyaan-3. He also lauded Shubhanshu Shukla for recently creat ing history by reaching the International Space Station. "The globe has

become a village. India is advancing further in the solar system, and I urge the youth to actively take part in this journey," he added.

Speaking on the occasion, Education Minister Mahipal Dhanda said, "National Space Day is not just a celebration but a symbol of India's scientific strength, technological progress and aspirations for the future." Paving homage to space icon Kalpana Chawla, he said her legacy continues to inspire young Indians.

Dhanda underlined that India's achievements — from Chandrayaan to Gaganyaan,

Mangalyaan to Aditya L1 — have made the world look up to India with pride. The Haryana government, he said, is encouraging scientific temperament through AI labs, robotic labs, innovation centres and advanced facilities in schools.

Three-day teacher refresher training concludes in Radaur

NIRMAL SAINI RADAUR, AUGUST 23

The three-day teacher refresher training programme, organised under the aegis of the Haryana School Education Project Council with the support of Magic Bus India Foundation, concluded at the BRC office in Kanjun.

The training focused on life skills education and was attended by all BRPs, ABRCs, and teachers trained in life skills,

along with some newly inducted teachers. Trainer Jitendra Kumar informed that

two years in implementing life skills education and also engaged in discussions to formulate new strategies. Participants were also given suggestions to further strengthen and teachers shared their experiences of the past expand the life skills programme in schools

Water and money must be used wisely: Dr. Chauhan

NILOKHERI: To ensure efficient management of resources and services created under Pradhan Mantri Krishi Sinchai Yojana 2.0, the Haryana Institute of Rural Development, in collaboration with the National Institute of Rural Development and Panchayati Raj, Hyderabad, will train concerned officials, employees, and rural stakeholders. Sharing details after attending a two-day seminar and workshop in Hyderabad, Dr. Virendra Singh Chauhan, Director of the Haryana Institute of Rural Development, said that under the leadership of Course Director Dr. Hemant Kumar at the Internal Audit Centre of the National Institute of Rural Development and Panchayati Raj, a four-day training program was conducted.

Dyal Singh College celebrates space day

KARNAL: Dyal Singh College, Karnal, celebrated National Space Day with the theme "Arvabhatta to Gaganyaan: Ancient Wisdom to Infinite Possibilities." The event was organized by the NCC Air Wing and the Physics Association to promote scientific curiosity and awareness among students The celebrations began with a screening of a space documentary at 10:00 a.m., followed by a Science Exhibition in Physics Laboratory. Students showcased innovative ideas highlighting various as-

NIFA organises blood donation camp as part of silver jubilee celebrations

the annual fair at Jaharveer Goga Pir, the National Integrated Forum of Artists and Activists (NIFA) organised a blood donation camp dedicated to its silver jubilee year. The event was held with the support of residents of Johadmajra village, where villagers enthusiastically participated in blood donation. The camp began with village Sar-

panch Deepak Pal donating blood, who also extended his best wishes for the campaign and termed it a significant achievement for public welfare.

NIFA State President Shravan Sharma said that the organisation, founded 25 years ago by Chairman Preetpal Singh Pannu from Karnal, is now active in all states and union territories. As part of

the silver jubilee year, branches across the country are engaged in social service programmes with the aim of collecting 2.5 lakh units of blood, planting 25 lakh saplings, and motivating 25 lakh youth towards social responsibility and nation-building. Lifetime member Dr. Surendra Dutt and Indri branch president Shiv Sharma motivated youth by highlighting the importance of blood donation. They said that one unit of blood can save three lives and also pro-

motes the circulation of fresh blood in the donor's body, helping prevent various diseases. Niru Devi, head of the NIFA Indri Girls Wing, added that the branch would continue to support the campaign by organising blood donation camps in villages and spreading awareness

the BJP government is always committed to the service of cow protection.

MLA Ramkumar Kashyap presents cheque of Rs Students honour elders through poetry and drama at Pratap Public School

ROHIT LAMSAR TARAORI: Pratap Public School, Taraori, celebrated Senior Citizens' Day with great enthusiasm, highlighting the inval uable role and contributions of elders in society. The event be-gan with an emotional

poem recited by students, portraying the struggles of elders and the guidance they pro vide. This was followed by a stage play that left the audience deeply moved, conveying the message that families and society are incomplete without elders.

A student, while delivering a speech, described elders as the most precious treasure of life. The atmosphere of the programme remained positive and inspiring throughout.

Principal Vikas Uttreja, in his address, said that senior citizens are the foundation of our lives and deserve respect and gratitude. School Director Hani Choudhary and Director Pithi Choudhary emphasised the importance of spending time with elders and caring for their needs. They further suggested that elders' voices should not be limited to respect alone but should also be included actively in policy-making and

Awareness Program on Prevention of Mosquito-Borne Diseases at IGMMV Kaithal

SANJAY SHARMA KAITHAL: A Four days awareness program from August 18 to August 21 on the prevention of mosquito-borne diseases was organized today in the Seminar Hall of Indira Gandhi (P.G.) Mahila Mahavidyalaya, Kaithal under the joint initiative of the Health Department, Red Cross Society Red Ribbon Club, and the NSS unit of the college. Adding more information, Sh.Ram Bahadur

RR Kabel Launches a series of future-ready wires

LUDHIANA- RR Kabel, a leading manufacturer of wires and cables in India, has announced a series

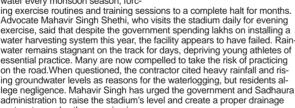

of next-generation wire solutions crafted to address the evolving demands of Indian homes and infra-

structure in an era marked by rising temperatures and increasing electrical loads. The new product line features Superex Green HR+FR, and Firex LS0H-EBXL—each engineered to deliver superior safety, performance, and sustainability across diverse applications.

Khurania, President, Governing Body stated that the program aimed to spread awareness among students regarding mosquito-borne diseases such as dengue, malaria, and chikungunya, which usually rise during the ason due to water stagnation. On this occasion Heal perts Shamsher Singh(Epidemic Specialist), Gurvinder Singh (Malaria Specialist)and Raj Singh(Health Inspector) sensitized the students about causes, symptoms, and precautionary measures to control mosquito breeding and emphasized the importance of cleanliness and hygiene. The experts also guided the students about early symptoms, timely medical consultation and the role of community participation in controlling the diseases. Dr. Aarti Garg, Principal and Ms. Shweta Tawar, Principal Incharge, Evening Session were also present and motivated the students to actively participate in the campaign

Waterlogging in Sadhaura stadium disrupts practice, residents demand drainage system

SADHAURA: The Sadhaura sports stadium has once again been submerged due to monsoon waterlog-ging, causing severe inconvenience to local residents, athletes, and youth practicing running. Located adjacent to the bypass road, the sta-dium is nearly five feet lower than the road level. With no proper drain age system in place, it gets filled with water every monsoon season, forc-

exercise, said that despite the government spending lakhs on installing a water harvesting system this year, the facility appears to have failed. Rainwater remains stagnant on the track for days, depriving young athletes of essential practice. Many are now compelled to take the risk of practicing on the road. When questioned, the contractor cited heavy rainfall and risadministration to raise the stadium's level and create a proper drainage system to resolve the recurring issue.

"As homes grow smarter and temperatures rise due to global warming, wires must evolve too", said Mr. Rajesh Kabra, Executive Director, RR Kabel. "Our new range is built not just for today's demands—but to anticipate the challenges of tomorrow, from higher temperatures and heavier electrical loads to greater safety and environmental responsibility. Integrating advanced Heat Guard Technology with stringent REACH and RoHS compliance (free of 245+ harmful chemicals), Superex Green stands out as one of India's few eco-conscious wires

designed for safety and sustainability. This HR + FR wire tolerates temperatures up to 85°C, ensuring thermal resilience alongside electrical safety. Designed with Advanced Class 2 conductor, it delivers improved mechanical durability and lower energy losses, making it suitable for high-load applications and long-term performance. Engineered with 100% Pure Electrolytic Copper for superior r conductivity, it also features anti-pest protection for long-term durability and a unique green packaging that reinforces its eco-friendly positioning

Cambridge June 2025 Exam Results: Soaring Demand for International Education

CHANDIGARH: Cambridge International Education has unveiled the results of its June 2025 examination series, showing a remarkable increase in demand for international education. More than 680,000 students worldwide participated in the June exams, reflecting a 9% rise compared to the previous year. In India alone, over 4,680 students received their Cambridge IGCSE and O Level results today, which is a 7% increase in entries from last year

The growing trend of seeking international education is attributed to the rapidly changing technological landscape

the escalating impact of climate change, and shifting geopolitical circumstances. This year, the total number of exam entries globally reached nearly 1.7 million, showcasing a 7% increase from June 2024, with a 5% growth noted in India.

Cambridge IGCSE and O Level results showed that over 21,600 exam entries were recorded in the June 2025 series, with popular subjects including First Language English, Physics, Chemistry, Mathematics, and Biology. Similarly, the Cambridge International AS & A Level results released on 12 August indicated that more than 5,300 students from 230 schools in India are on a path to prestigious universities and career prosects, boosted by over 12,900 entries for these exams

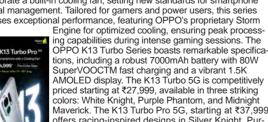

Cambridge conducts three examination series annually in India, allowing schools to select the cycle that best meets their students' needs. While the March series remains the largest, with an 11% increase in entries this year, June is also a favored option among schools. Rod Smith, Group Managing Director for International Education at Cambridge, stated, "In a time of uncertainty, the awareness and perspective that an international education provides is essential." He congratulated the students and emphasized the importance of education that equips learners to thrive in a rapidly changing world. Vinay Sharma, Senior Vice President for International Education in South Asia, expressed pride in the hard work and success of Cambridge learners in India

OPPO launches India's Only Smartphones with a Cooling Fan - OPPO K13 Turbo Pro 5G and OPPO K13 Turbo 5G

LUDHIANA: OPPO India has officially launched its latest innovation, the PPO K13 Turbo Series 5G, which includes the OPPO K13 Turbo Pro 5G and the K13 Turbo 5G. Notably, these are the first smartphones in India to incorporate a built-in cooling fan, setting new standards for smartphone thermal management. Tailored for gamers and power users, this series promises exceptional performance, featuring OPPO's proprietary Storm

> tions, including a robust 7000mAh battery with 80W SuperVOOCTM fast charging and a vibrant 1.5K AMOLED display. The K13 Turbo 5G is competitively priced starting at ₹27,999, available in three striking Golors: White Knight, Purple Phantom, and Midnight Maverick. The K13 Turbo Pro 5G, starting at ₹37,999, offers racing-inspired designs in Silver Knight, Purple Phantom, and Midnight Maverick. Consumers can begin pre-booking the smartphones from today, with sales commencing on August 15 for the K13 Turbo Pro and August 18 for the K13 Turbo 5G via

adopters can benefit from discounts of ₹3,000 and flexible EMI options Savio D'Souza, Head of Product Communications at OPPO India em-

Flinkart, OPPO's e-store, and other retailers, Early

phasized the series' commitment to high performance, noting that the cooling technology effectively reduces device temperatures during heavy usage, enhancing overall user experience. Flipkart's Vice President Smrithi Ravichandran added that these devices cater to the grow ing demand for smartphones that support mobile gaming without compromising performance. In addition to the K13 Turbo series, OPPO introduced the Enco Buds 3 Pro, a state-of-the-art TWS offering rich sound quality and an impressive battery life of up to 54 hours. Priced at ₹1,799, the earbuds will be available from August 27, 2025, marking another significant addition to OPPO's product lineup.
