AAVAS FINANCIERS LIMITED

Investor Presentation – 3M FY22

Safe Harbor

This presentation and the accompanying slides (the "Presentation"), which have been prepared by **Aavas Financiers Ltd.** (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward looking statements concerning the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the Company.

In-house Execution Model

In-house execution model – Replicated across the states

Lead generation and sourcing

- Focused approach to directly source the business leads
- Leveraged technology & dataanalytics to generate leads through alternate channels
- Application scorecard to evaluate risk profiles:
 Streamlined approval process and reduced incidence of error

Risk management

- In-house underwriting team for income assessment & riskbased pricing of customers
- In-house legal team overseeing external legal verification
- Two valuation reports generated beyond a certain ticket size threshold
- Risk-testing of files by in-house risk containment unit

Collections

 Four-tiered collection architecture with a high focus on early delinquencies Outcome

Superior Business

- Call centers in multiple languages: Initiate collection process in a timely fashion
- Real-time tracking of collections

1. Reduction in average TAT (days)

- **2.** Better ability to price risk effectively resulting in yields of ~13%
- 3. High collection efficiency and low GNPA

Technology and Data Analytics

Lead Generation

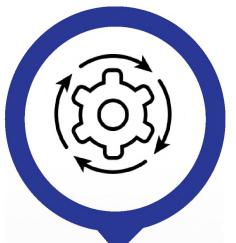

- Majority of the leads are logged in through the sourcing app
- Application scorecard:
 For Auto-rejection /
 fast tracking leads
- Mobile app to leverage proponents of housing ecosystem

Underwriting

- Platform integration with credit bureaus
- Quarterly scrub of credit bureau information
- 60+ profiles to evaluate customers in SENP segment

Operations

- E-disbursement & Erepayment facility at all the branches
- CRM system for better customer servicing
- Customer Service App catering to 80% of customer requests

Collections

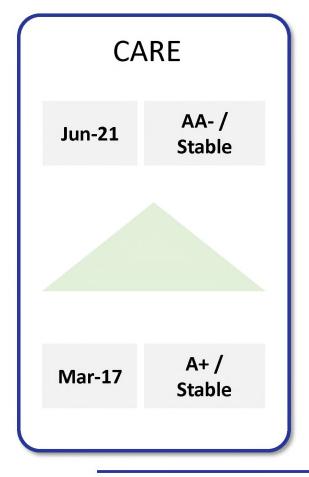

- Route optimization for collection personnel
- Analytics model for bounce prediction and assessment of warning signals
- Geotagging for smart customer allocation

Measures from Government and Regulator

Continued Pause in Policy Rate

RBI's MPC voted unanimously to maintain status-quo (repo rate @ 4%) even in the June meeting and continued with its accommodative stance for as long as necessary to revive growth on a durable & sustainable basis.

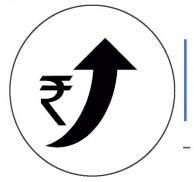

Resolution Framework 2.0

Lending institutions can restructure borrowers having aggregate exposure up to Rs. 500Mn who were classified as Standard as on 31st March 2021 & who didn't avail resolution under Framework 1.0 last year. Restructuring may be invoked up to 30th September 2021 & needs to be implemented within 90 days from invocation.

Additional Refinance for HFCs

NHB has been extended a special liquidity facility of Rs. 1,00,000 Mn for one more year to provide additional support to housing finance companies. Accordingly, NHB has launched special refinance facility of equivalent amount for the housing finance companies to help maintain a steady growth in the sector.

Expansion of scope under ECLGS

Government has increased the quantum of guarantee under the scheme from Rs. 3 Tn to Rs. 4.5 Tn while extending the validity till 30th September 2021 (disbursements permitted up to 31st December 2021). The scheme has also been extended to additional sector & the guidelines have been eased for the beneficiaries (tenure extension increased from 4 years to 5 years, principal moratorium period increased from 1 year to 2 years etc.).
